RCPP CRISIS TO OPPORTUNITY

Sierra Nevada Tree Mortality

The RCD is providing technical assistance to private non-industrial forest landowners in the form of site visits, creation of forest management plans, and promoting participation in the NRCS EQIP funding through the RCPP (Regional Conservation Partnership Program). This program is for land owners whom are looking to reduce the fuel load on their property.

Direct Line for your Tulare County RCPP assistance:

(559) 754-3155

RCPP Email

**RCPP CRISIS TO OPPORTUNITY:
SIERRA NEVADA
TREE MORTALITY**

Financial assistance is available for dead tree removal and other forest health practices through NRCS.

RCPP program allows for EQIP (Environment Quality Incentive Program) funds to be used within the 100 foot defensible space zone and has no acreage minimum for applicants.
